

Monthly Dream Art Workshops

One Day Workshops at the Flying Eagle Retreat Center

Upcoming Workshop Dates:

August 17th, September 21st, or October 19th

10 am - 3 pm

\$40 with Lunch Included

Third Saturday of the Month

Spend the day with a licensed therapist and learn about Jungian Dream Concepts.

Get an idea of how to work with your dreams and have a relationship with your unconscious.

Our world is not limited to what we sense and think we know.

Relationship with the many aspects of ourselves moves us into a fuller understanding of Self and life.

We will do an 'Active Imagination' in the afternoon that will be personally art-ful... not art as you know it.

Pre-registration is Required
